Water hyacinth has won the heart of designers as an ideal material for furniture upholstery. Physically, its durable spongy texture provides comfort touch. Mentally, its look render soft yet warm natural ambient.

Found in 1955 as designer and manufacturer of office furniture changed later to home furniture. Performax has achieved the blending of elegance design with water hyacinths sensual features into home furniture, seamlessly integrated forms with functionalities. On manufacturing front, while works on wood and other components are carried out by machinery tools for their precisions, weaving of water hyacinth on each piece of the furniture is individually hand-woven by on site craftsmen, under tight quality control on workmanship.

To fulfill todays lifestyle that cherish efficiency, simplicity, and nature friendly conscious, Performax offers full range of water hyacinth furniture sets and accessories for living room, bed room, and dinning room. Mostly in modern and contemporary graceful style.

This brochure feature entire year 2008 collection, plus all top selling models of previous years collections sold over thirty countries around the world.
