Calabaza Lounge Chair:
 More than often, brilliant designs derive from mundanities of everyday life. Same goes for the Calabaza lounge chair that bears resemblance of delight, yet generic, Thai sweet treat, pumpkins stuffed with egg custard. Akin to the palatable dessert, Calabaza's tasteful design combines pumpkin's concave figure with velvety cushion that yields maximum comfortability and sensuous relaxation to your body and soul.

Jockey chair

Design of Jockey chair was inspired by graceful riding of jockey on horseback. Curvy turns and twists of bamboo stripes are reminiscent of saddle and rein on a horse.
